The Public Services Committee met on Monday, June 26, 2023.

Members Present: Pam Bluhm and Dave Frank.

Members Absent: None.

Others Present: Peter Erickson and Joel Young.

Public Safety Aid: Young reported that the City will receive approximately \$131,000 in Public Safety Aid from the State of Minnesota in late December. There isn't a lot of information to guide the decision-making just yet but the committee was encouraged to start thinking about how to use these funds. Since this is a one-time allocation of funds, the money should be used on acquisitions that do not have any financial tails. The committee will continue to consider this in upcoming months.

Cannabis Law Violations: It was suggested that the City might need to develop an ordinance that would stipulate penalties for violations of the cannabis laws that are being put into place.
