A key aspect of a community being livable is its quality of healthcare, especially in an emergency situation. The volunteers of the Chatfield Ambulance service are dedicated to providing our community with the services needed to help you in your time of need. We have two fully stocked ambulances ready to respond twenty-four hours a day every day. Chatfield police officers are also trained EMT's and some of our firefighters are trained EMT's as well.

In celebration of EMS week this year Chatfield Ambulance will be hosting an **open house on Saturday May 26th**. Please join us for live equipment demonstrations and light refreshments at our station located at 21 Second St. (City hall Thurber building) from **10:00 AM until noon**. This is a great opportunity to get out and meet the people who put in countless training hours and on-call time. Have you ever wondered what it takes to join our team? Please come ask. We would LOVE to have you on our team. Remember to thank an EMT when you see them, their service and dedication help make Chatfield a safer place to live!!
