**Wed 1-3 & 5-7 pm**  
**Fri 1-4pm**  
**Sat 10am—4pm**

**WARNING SIRENS**

The City has recently entered into an agreement with Olmsted County to test, maintain and activate the outdoor warning sirens in Chatfield. The purpose of the sirens is to warn people who are outdoors—while it is common for people within houses and other buildings to hear these sirens, it is actually expected that people indoors will be warned in other more effective ways, such as radio, television or special weather radio.

- Siren Testing**
- **Apr 1-Oct 1** Full 3 min every Wednesday
  - **Oct 2—May 31**, First Wednesday of the month 1 min. All other Wednesdays a quiet test
- Tests will not be conducted if there is rain or bad weather in the area.
- Siren Activation**
1. Winds 70 mph or more
  2. Tornado Warning by NWS
  3. Spotted funnel cloud by trained spotter
  4. Radar detected funnel cloud
