Water Meter Upgrade

The City is upgrading the water meter system. The current meters and meter reading system is 23+ years old.

This means every home connected to City water will have two pieces of hardware in the utility room inside the house replaced, The meter and the setter (the piece of plumbing that holds the meter).

You will be receiving a letter in the mail with more detail and the names of the companies that will need to enter your home. Following is a summary of what will be happening between mid November and the end of the year;

- A letter will arrive in the mail with a telephone number for you to call and schedule the installation.
- Before installation please clear the area around your current meter to allow working space for the installer. Also, please make sure that the existing piping is in serviceable condition.

Thank you in advance for you patience, understanding and cooperation in making this a successful project. If you have questions please contact Brian at 867-1511.

Your Vote Counts

On Tuesday, November 8th, election polls will be open from 7:00 am—8:00 pm. In addition to state and federal elections, this election will also fill the City Council and Chatfield Public School Board.

At the City, incumbent Mayor Russ Smith has filed for re-election. The term of office for the Mayor is for two years.

Three seats are open for City Council, which are four year terms. One person, Joshua Broadwater, has filed for the City Council.

Detailed voting & ballot information is available on the Office of the Minnesota Secretary of State web site at www.sos.state.mn.us/elections-voting/

Utility Payment Drop Box

You will find a new utility bill payment drop box mounted on the side of the building by the alley entrance door to City Hall. Thank you for making the transition from the front step location to the side of the building.

PUBLIC WORKS

BRUSH & LEAF DUMP—will close with the first plowable snowfall.

WINTER REMINDERS—Sidewalks need to be cleared as quickly and completely as possible after a snowfall. **No parking on city streets when plows are operating.** Parking tickets will be issued and cars may be towed if parked cars interfere with snowplowing or removal.
