## City Staffing Changes....

### Tony Lammers—31 Years of service...

After 31 years of dedicated service to the residents of Chatfield, **Tony and his family would like to invite everyone to the Golf Course on Sat. Sept. 12th, from 1:00—4:00 to help celebrate his retirement.**

After years of jumping in the snowplow at all hours of the night, responding to various emergencies like broken water mains in the cold of January, sewer backups in people's homes, flooded streets, and all of the other activities that go along with working for the public, Tony has put the shovel away and decided to

retire, and deservedly so!! Tony is one of those guys who is always willing to help, whether for a celebration or in a time of need. You will be missed, Tony!

**Thanks and best wishes are also in order to Pat O'Neill!** After working for the City the past eight years, including operating the City 's wastewater treatment plant the past few years, Pat will move on to the City of Rochester. We wish you all the best, Pat!

**Congratulations to Brian Burkholder,** as he takes

over the reins of the public works department! Brian and his crew are looking forward to starting a new chapter in Chatfield's history—they have some great ideas and want to take care of the City's assets as well as possible!

**Welcome to Beth Carlson,** as she has recently joined the Clerk's office. In addition to processing water and sewer bills and the City's payroll, Beth is looking forward to helping residents with all sorts of questions. Stop in and say "hi" to Beth!!
