Public Safety Reminder!

Personal Security: Lock the doors on your home, keep the garage doors closed and lock your vehicles, even when they are parked in your driveway. Although Chatfield is a relatively safe community, it is always better to be vigilant. Recently, in fact, someone has entered a number of unlocked vehicles and taken personal items.

While these incidents are not occurring at a rate that is any higher than in other years, these are disturbing reports. Fortunately, most of these incidents can be prevented simply by keeping your vehicles, homes & garages locked up. Secure your personal belongings by locking up.....and promptly report unusual activity by calling 9-1-1. Thank you!
