All dogs and cats that are at least six months old are required to be licensed. Licenses are due by July 1 of each year. To purchase a license, be prepared to show proof of your pet's rabies vaccination when you stop at the City Clerk's office

Each residence is allowed a total of 4 pets, but no more than 2 of a species. So there may be 2 dogs and 2 cats at a residence, but 3 dogs and 1 cat or 1 dog and 3 cats would be in violation.

**Please remember:** Pick up after your dog when walking around town or running in the parks. Cats & dogs are not allowed to run at large and should be under the control of the owner at all times, even when in the parks. Any dog or cat found to be running at large in the City will be picked up and placed in the animal pound.

The Chatfield Public Library has exciting ways for youth of all ages to participate in this summer's "One World, Many Stories" Summer Reading program.

Just by reading, kids can earn the ever-popular "banana bucks" to redeem for great prizes again this year. Reading logs will be available at the library beginning Tuesday, June 14<sup>th</sup>. Head on over to the library every Friday morning at 9:30am for summer storytime beginning June 17<sup>th</sup> and every Tuesday at 1:00pm for elementary-age programs beginning June 21<sup>st</sup> and continuing through July. Some special programs you will not want to miss are in the works, including Magician Star Michaelina on June 28<sup>th</sup> at 1:00pm.

The Teen Summer Reading Program begins Thursday, June 16<sup>th</sup> with a kick-off party, 6:00pm-8:30pm, that includes:

- Henna body art by Lisa O'Hanlon of Ananke Designs
- Manga/Anime drawing how-to
- Beading (bracelets & necklaces)
- Zen Doodle
- Board Games
- Snacks (root beer floats & candy)

Information, including a description and rules, will be available at the kick-off party. This year we are excited to offer teens the option of submitting entries for the end of summer prize drawings by reading and then briefly reviewing books and/or creating works of art to be displayed in the library. This program continues through the middle of August.

Parents, one great way to keep your children reading is to encourage them to participate in the Summer Reading Program at the public library. All are warmly invited!

## STATE TAX CREDIT FOR HISTORIC BUILDING REHABILITATION

BY: ROBERT VOGEL, HISTORIC PRESERVATION PLANNING CONSULTANT

On April 1, 2010 Minnesota became the 31st state in the nation to enact legislation providing income tax credits to incentivize restoration work on historic buildings. The MHTC mirrors the federal tax credit which allows an income tax credit equal to 20% of the cost of rehabilitating an historic property that is listed or has been determined eligible for the National Register of Historic Places. Under the state law, buildings that qualify for the federal historic tax credit will now be eligible for a 20% state tax credit. Projects must be income-producing to use the credit. Homestead residential properties are not eligible.

Only new projects are eligible and an application of state tax credits must be submitted to the State Historic Preservation Office and approved before the rehabilitation work begins.

For more information about the Minnesota Credit for Historic Structure Rehabilitation, contact the State Historic Preservation Office of the Minnesota Historical Society ([www.mnhs.org/shpo](http://www.mnhs.org/shpo)) or the Preservation Alliance of Minnesota ([www.mnpreservation.org](http://www.mnpreservation.org)).
