SPRING LEAF PICK UP

Mon & Tue, April 27 & 28
Brian 507-867-3810

Residents may place bagged leaves (no other refuse of any kind) at street curbside. Public works department helps residents dispose of leaves at no charge each spring.

CITY OF CHATFIELD AND COVID-19

In order to help mitigate the spread of COVID-19 and after considering the guidance of the federal Centers for Disease control and Prevention (CDC) and the Minnesota Department of Health, The city buildings (Thurber Building, Library, City Shop, Fire Hall and Waste Water Treatment Plant) are closed to the public until further notice.

The health and safety of the city staff and every member of our community are the City's first priorities as the City works through these extraordinary times. Even though our buildings are closed to the public, we remain fully staffed and available to serve the community's needs.

You are encouraged to connect with city staff through the city website, by phone and by email. If you have business that is time-sensitive and must be conducted in person, call 507-867-3810 to make an appointment. City staff will do their best to accommodate your request.

The City of Chatfield has been working with local, county and state partners to help protect the health and wellness of both the community and employees during the rapidly changing coronavirus outbreak. The City is making these changes while still ensuring it can provide essential services to residents.

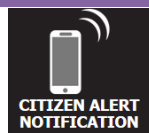

Mayor Russ Smith

COMMERCIAL & INDUSTRIAL LAND FOR SALE

- Commercial and industrial lots on Enterprise Drive SE (formerly called Industrial Drive).
- 13 lots to choose from—it may be possible to combine lots
- Lot sizes range from about 21,000 sf—36,000 sf
- Perfect for trade shops, warehousing, distribution, light manufacturing, or similar businesses
- Call the Chatfield EDA for more information—507-867-3810

STREET SWEEPING & CITIZEN ALERT SYSTEM

The city crew has started sweeping the streets. Sweeping will continue until all streets are completed. Depending on the weather, this process takes approximately two weeks. In order to sweep the entire street, we need the streets to be clear of vehicles.

An alert will be distributed the day before sweeping takes place to ensure that vehicles are off the street. To register for the City's alert system, enroll at: <https://www.ci.chatfield.mn.us> and click on the Citizen Alert Notification icon on the brown filmstrip on the homepage.

Please remove your vehicles from the city streets until your street has been completed. Thank you.

ANNUAL DISCLOSURE NOTICE: SOLID WASTE DISPOSAL SITES

Wm. Hanson Waste Removal disposes residential and commercial waste at Fillmore County Resource Recovery Center and Olmsted County Waste Energy Facility. Demolition and construction material is disposed of at Veit Disposal Systems and Root River Transfer Station. *Note: Residents may be responsible for any liability that results from contamination at a facility where your waste has been disposed. Minnesota believes that its waste management system provides substantially more financial and environmental protection than depositing waste in landfills in other states. Managing your waste in Minnesota may minimize your potential liability.*

PUBLIC NOTICE

HYDRANT FLUSHING

The Public Works Department will be doing the annual flushing of fire hydrants. American Water Works Association (AWWA) and the Insurance Service Office (ISO) require hydrants to be flushed annually to make sure the hydrants are working properly and that leads, mains and dead end mains get flushed.

While the hydrants are being flushed, you may notice a brief change in water pressure and it may change the color of your water in your home. If this happens, let your water run until it's clear and clean the screens on your faucets as they may get plugged with particles from the mains.

The city crew will be flushing hydrants during the month of April. The department uses this process as training for proper hydrant operation and to check for any maintenance issues that need attention.

After each hydrant has been flushed the marking flags will be removed.

Public Works Crews Will Be In Your Neighborhood
