councilorbroadwater@ci.chatfield.mn.us

John McBroom (507) 867-1534
councilormcbroom@ci.chatfield.mn.us

PET LICENSING

Each license is \$10 for neutered or spayed animals and \$20 per year if not neutered or spayed. To purchase a license, be prepared to show proof of your pet's rabies vaccination when you stop at the City Clerk's office.

Contact Chosen Valley Veterinary Clinic to schedule an appointment 867-3610.

2021 Rabies Vaccination Clinics will be held later this summer. Please check the Olmsted County Public Health website. These clinics are a partnership between local veterinarians and Olmsted County Public Health Services.

COMMISSION VOLUNTEER OPPORTUNITIES

The Charter Commission and the Planning & Zoning Commission each need a volunteer to fill a vacancy.

These terms expire on January 31, 2022. An application can be obtained via email to jyoung@ci.chatfield.mn.us or by stopping at the Office of the City Clerk, 21 Second Street SE, Chatfield, MN.

Qualified individuals will be residents of the City of Chatfield and have a desire to serve their community as a volunteer.

The Charter Commission is made up of fifteen residents who are responsible for maintaining the City's Charter. The City Charter is, in effect, the City's constitution. The commission meets intermittently, at least once per year. Appointments to the Commission are made by the chief Judge of the Third Judicial District.

The City of Chatfield's Planning & Zoning commission is made up of seven residents who are responsible for maintaining the City's zoning ordinance, including the disposition of variances, conditional use permits and subdivision applications. The Commission meets on the first Monday of each month. Appointments to the Commission are made by the Mayor, with the confirmation of the City Council.

Outdoor Warning Sirens

WARNING SIRENS

The City works with Olmsted County to test, maintain and activate the outdoor warning sirens in Chatfield. The purpose of the sirens is to warn people who are outdoors—while it is common for people within houses and other buildings to hear these sirens, it is actually expected that people indoors will be warned in other more effective ways, such as radio, television or special weather radio.

Siren Testing

- **Apr 1-Oct 1** Full 3 min every Wednesday
- **Oct 2—May 31**, First Wednesday of the month 1 min. All other Wednesdays a quiet test

Tests will not be conducted if there is rain or bad weather in the area.

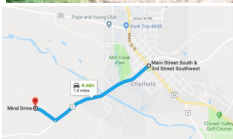

Siren Activation

1. Winds 70 mph or more
2. Tornado Warning by NWS
3. Spotted funnel cloud by trained spotter
4. Radar detected funnel cloud

BRUSH & LEAF DUMP

Chatfield residents and businesses can dispose of yard waste at the Chatfield brush and leaf dump. Acceptable waste includes leaves, grass clippings, brush, and branches only please.

The brush & leaf dump is west on Cty. 2 at the stoplights. Take the first gravel road on right after the Root River Bridge (Mind Drive). You will find a gate to the dump on the right side of the road.

For safety purposes, hunting is not allowed on the brush & leaf dump property.
